

PENTA PIX

The ADJ Penta Pix is a 5-head beam effect with pixel zone control. Create quick chasing beam effects from its five 15W 4-IN-1 RGBW LEDs with new ACL lens (Advanced Collimator Optic Lens) for crisp, sharp beams. Each head may be manual positioned on an x-axis.

The Penta Pix features 63 color macros, 3 DMX channel modes, 5 selectable dimming curves and 15 exciting built-in lightshows. It has a 4-button DMX menu, 3-pin DMX In/Out, powerCON In/Out and a scissor yoke.

PENTA PIX

Specifications:

- LED Color Beam effect with 5-Zone Pixel Control
