EVENT FACADE

The ADJ Event Façade is a great solution to professionally conceal your equipment and create an elegant professional look at the same time. Perfect for anyone looking for a lightweight, portable, and fast set-up facade to enhance their image. Available in an elegant white, or a sharp looking black. The stretch fabric panels are easily removable for cleaning or can be interchanged for different black and white color combinations. Transportation and storage is also simple with the included carry bag. No tools necessary to set-up, break-down, or remove the stretch panels. Event Façade comes in black metal frame with black scrim, or white metal frame with white scrim.
