

# INNO POCKET WASH™

#INN790

The Inno Pocket Wash is a mini Moving Head that creates beautiful washes of color with its 28-degree beam angle. Its compact size and lightweight makes it ideal for mobile entertainers, small club and bars, roller rinks, bowling centers, churches or any mobile production.

Featuring 4x 10W 4-IN1 Quad LEDs (RGBW - Red, Green, Blue and White), the Inno Pocket Wash will give pure lighting excitement with its fast moving head and brilliant washes of color. It has a pan and tilt inversion mode that makes one head do the opposite of another when linked together.

Users may control the Inno Pocket Wash by Sound activation with its 4 built-in shows, the optional UC IR wireless remote, or use a DMX controller to create your own light shows.
